Dear Mr. Donovan:

I am sending you this letter to confirm our telephone conversation of Friday, February 15, 1985, regarding the use of the High School Auditorium for our public meeting on Thursday, February 28 at 7 p.m. The purpose of the meeting is to discuss the Feasibility Study for the Lackawanna Refuse Superfund Site, and to announce a recommended cleanup alternative.

Also, to repeat what we discussed on the telephone, I'll need a podium for the sign in sheet and a table for our literature.

I will meet you at the school at 6:30 p.m. on Thursday, February 28, 1985, along with Project Officer Walter Graham and Superfund Branch Chief Tom Voltaggio.

Sincerely,

Nanci Sinclair
Public Information Specialist
